

## **ICMS talk about going 'live' with PeopleSoft Campus Solutions Student Administration System in under 8 months**

**14/11/2011**

Tripoint is delighted that Robert Miles, Deputy Registrar of the International College of Management (ICMS) in Sydney will be presenting at the upcoming Higher Education User Group Alliance Down Under conference in the Gold Coast at the end of November. Robert will talk about how a new rapid implementation methodology from Oracle partner Tripoint Corporation has enabled them to implement a full Student Administration system in under 8 months.

For more details on Robert's presentation, please visit the HEUG Alliance Down Under website at <http://www.heug.org/p/cm/ld/fid=377>. We look forward to seeing you there.
